

## **Job Posting – Production Support**

Staub Machine is seeking experienced and team oriented, production candidates for its Hamburg, NY office. The company manufactures and sells precision machined parts for their customers mostly in the medical, aerospace and communications industries. If you are looking for a company built on respect, we are looking for you!

The production worker assembles a variety of products and deburrs machined parts for finished goods. Job complexity ranges from moderate to difficult repetitive tasks to fairly repetitive but difficult tasks depending upon product.

### **Essential Duties and Responsibilities**

- Ability to run machinery and complete moderate to complex set ups of machines.
- Trouble shoot on complex parts not meeting minimum quality standards.
- Follows oral/written instructions to connect two or more parts of a product
- Precisely repeats actions for all of the same product type each time assembled
- Visually or metrically inspects assembly for conformance to instructions.
- (May) Drive a fork lift truck to transport material for storage or delivery to another department
- Load or unload shipments of raw material and finished goods.
- Assists in other production areas as needed.

### **Qualifications/Skills**

- High school Diploma or GED
- 5+ years of related work experience or training in a manufacturing environment
- Ability to frequently lift up to 50lbs
- Experience with hand and power tools

Hours are Monday – Friday, 7-3:30. Starting rate is based on experience and we offer an excellent benefit package, including Health Insurance, 401K retirement plan, paid time off, and holidays.

Please no phone calls or drop offs.
